TERMS

All items are offered exclusively EXW Incoterms® 2020.
Advance payment to our German Bank Account by wire transfer.
Purchase Prices presume a master agreement. As an importer you are not allowed to export our products to any country.
External damage must be documented upon acceptance and must be reported immediately to the carrier and to us.
By ordering you confirm your agreement.
Subject to technical changes and errors.

WVL LOUDSPEAKERS – SUGGESTED RETAIL PRICES WORLDWIDE – EXW 91077 GERMANY

30. March 2024. By introducing this new, all previous price lists lose their validity. All prices in euros.

WVL 33221 I WOLF VON LANGA AUDIO FRAME BERLIN (pair) 102 000

Premium field coil loudspeaker system with multi adjustable true bi-amplification crossover network. Remarkable large hardened cone area in dipole configuration. Asymmetric mounted ultra linear magnet compression drivers actuate composite horns with controlled directivity pattern. Latest ultra-low-noise current source power supply.

WVL 23239 I WOLF VON LANGA AUDIO FRAME CHICAGO (pair) 72 000

Premium field-coil-loudspeaker system with multi adjustable true bi-amplification crossover network. Unique silk-paper-cone unit to close the acoustical gap between the large cone area bass units and the adjustable floating air-motion-transformer for a wide reproduction range. Latest ultra-low-noise current-source power supply.

WVL 23216 I WOLF VON LANGA AUDIO FRAME LONDON (pair) 66 000

Premium field-coil-loudspeaker system with multi adjustable true bi-amplification crossover network. Unique twin-cone-full-range field-coil-drive-unit to reproduce the main frequency band from one single source. Latest ultra-low-noise current-source power supply.

WVL 14650 I WOLF VON LANGA WAGYU (piece) 27 000

Premium horn-subwoofer with amplification and user programmable filters. Ultra fast transient response and high efficiency allow authoritative response. The Windows filter designer software is free of charge and only available as a download. Any knowledge on how to create and design digital filters is needed. Delay, gain and a wide range of biquad filters are allowed to setup.

WVL 12639 I WOLF VON LANGA ULTIMA (pair) 27 000

Premium field-coil-loudspeaker system with copper cast capacitors / true bi-amplification crossover network. Unique dipole air-motion-transformer mounted floating in asymmetric interchangeable transparent panels to adjust the reproduction base width. Latest reference current-source power supply and HC buffer capacitors. 1 pair power-bridges.

WVL 12639 I WOLF VON LANGA SON (pair) 20 000

Premium field-coil-loudspeaker system with true bi-amplification crossover network. Unique dipole air-motion-transformer mounted floating in asymmetric interchangeable transparent panels to adjust the reproduction base width. Latest slow-on current-source power supply. 1 pair power-bridges.

WVL 12439 I WOLF VON LANGA STAGE+ (pair) 15 000

Premium loudspeaker system with true bi-amplification crossover. Dipole air-motion-transformer mounted floating in asymmetric interchangeable transparent panels to adjust the reproduction base width. 1 pair power-bridges.

WVL I WOLF VON LANGA SERENDIPITY+ (pair) 11 000

Premium 2-way-loudspeaker with ultra-linear drive system, air-motion-transformer, 2 vibration-inhibiting passive cones, an a unique serial crossover network. Speaker stands needed.

Pair umbilical cables, every further meter (recommended length 3m included) 100

Set of rubber absorbers (8 pcs. for ULTIMA, SERENDIPITY+, SON and STAGE+) 100

Pair limited wood edition / ultra gloss surcharge (AUDIO FRAME, SON and STAGE+) 1000

Set of acoustic absorber, isolating washer, M8 set screw (8 pcs., AUDIO FRAME) 300

Country specific AC power cable not included, all energized loudspeaker systems need umbilical cables, a pair of 3m length is included as well as the speaker fabric cover(s).

Commercial Invoice (1 palette) 100

Commercial Invoice paperwork is required for most non-document commodities. As our terms are Incoterms EXW 2020 for all consignments worldwide, we reserve the right to charge customs clearance and clearing the goods for exportation. On 1 palette there will be max. 2 pairs STAGE/SON in 4 boxes, or 1 pair AUDIO FRAME in 8 boxes/12 boxes.

Retailers' obligations under the WEEE regulations.

The aim of the waste electrical and electronic equipment regulations 2013 is to ensure that waste electrical and electronic equipment (WEEE) is collected from the end user and recycled. It places obligations on manufacturers, distributors (including retailers) and the compliance schemes that collect the WEEE. This means you are solely responsible for registration in your country and to report the quantities you sell in your country.

Packing material/crate

As packaging materials, especially all plastic products, have become considerably more expensive in recent months, we now charge €40 for each carton with a foam insert and €350 for each wooden crate with foam.

WVL.news

All prices are payable strictly net. Prices are subject to change.
Specifications subject to change without notice.
Terms of payment: Advance payment. Prices EXW Incoterms 2020.
